These stories contribute to the American political culture. Every country has a political culture — widely shared beliefs, values, and norms that define the relationship between citizens and government, and citizens to one another. Beliefs about economic life are part of the political culture because politics affects economics.

### American Political Culture [ushistory.org]

US political system is dominated by two political parties, which are the Democratic Party currently positions itself left-of-centre in American politics and supports an American liberalism platform and the Republican Party, which positions itself as a right-of-centre and supports an American conservatism platform.

### The Differences Between American And British Politics ...

There are major differences between the political system of the United States and that of most other developed democracies. These include increased power of the upper house of the legislature, a wider scope of power held by the Supreme Court , the separation of powers between the legislature and the executive, and the dominance of only two main parties.

### Politics of the United States - Wikipedia

Asian American voters could make a difference in 2020 Asian Americans - relatively affluent, well-educated, entrepreneurial - voted heavily Republican. That was for George H.W. Bush 28 years ago.

### Asian American voters could make a difference in 2020

The American Independent Party (AIP) is a far-right political party in the United States that was established in 1967. The AIP is best known for its nomination of former Governor George Wallace of Alabama, who carried five states in the 1968 presidential election running on a segregationist "law and order" platform against Richard M. Nixon and Hubert H. Humphrey.
