Antitrust/ Competition Law: Vertical Restraints and Exclusive Dealing* A vertical agreement is an agreement or concerted practice entered into between two or more undertakings each of which operates, for the purposes of the agreement or the concerted practice, at a different level of the production or distribution chain, and relating to the conditions under which the parties may purchase, sell ...

Antitrust/ Competition Law: Vertical Restraints and ...

Ralph Winter, Sep 01, 2005. Cooper, Froeb, O'Brien, and Vita argue that (1) economic theory, especially post-Chicago theory, provides little in the way of unambiguous predictions of when vertical restraints are pro-competitive versus anticompetitive, forcing antitrust decisions to rely mainly on prior empirical evidence rather than case-specific facts; and (2) prior evidence indicates that ...

Vertical Restraints and Antitrust Policy: A Reaction to ...

Abstract. Theories of vertical restraints have shown that vertical practices have the potential to harm competition. Although (or because) they are based on more realistic market structures and account explicitly for strategic interactions among competitors, the predictions of these models are necessarily more fragile than those of the earlier models.

Vertical Restrictions and Antitrust Policy: What About the ...

vertical integration of stages; that each stage of production is completed by an independent A restraint of trade is describable as illegal per se under our antitrust laws if, in the opinion of the highest court, this restraint is unlawful in and of itself. The per se doctrine has been used most frequently in the past in cases involving price-fixing.
