How to Tell if Someone Has a Big Ego | Our Everyday Life

I experienced the narcissist's ego as big – never small. He had a very big ego, and in the beginning I was drawn to his self-esteem and out-going nature. (paradoxically, his ego seemed both strong and fragile) Say what you aren't supposed to say, and that fragile ego can become enraged.

Big Ego vs Narcissism? How to Tell the Difference

Since a big penis is associated with the ability to attract more women, men with bigger penises have inflated egos. In spite of the medical ruling that a sexually satisfactory experience can occur even with a small penis, a man's ego refuses to accept that. A man's penis size has a lot to do with his sense of superiority.
