In diverse societies this conflict often arises in the form of contention over the schooling of children from religious, linguistic, or cultural minorities. In Malaysia, a significant minority of Chinese children attend Chinese language schools, and the status and curricula of these schools are invariably the subject of government criticism.

Education and citizenship in diverse societies - ScienceDirect

In Europe's culturally and religiously diverse societies, citizens have different frameworks for how they act and interact with their close and distant surroundings. We argue that this increasing diversity leads to diversified citizen participation that must be studied if the current participation agenda is to remain relevant.
