Conflict Of Laws Crisis Paperback

This invaluable introduction to the study of the conflict of laws provides a survey and analysis of the rules of private international law as they apply in England. Written to take account of the various possible outcomes of the Brexit process, it goes as far as is possible to make sense of the effect it will have on English private international law.

The European Union has been deploying civilians in conflict and postconflict stabilization missions since 2003, and the scope of civilian missions is likely to increase in the future. This volume offers a general overview and assessment of the EU's civilian operations to date, as well as a more in-depth look at the two missions in which the EU has worked alongside NATO: the EU police-training
