Amazon.com: Do Zombies Dream of Undead Sheep?: A ...

Neuroscientists and zombie enthusiasts Timothy Verstynen and Bradley Voytek have recently come out with a new book called Do Zombies Dream of Undead Sheep?, in which they apply their neuroscience backgrounds to an investigation of the undead. It's filled with pages of increasingly nerdy explorations of zombie behavior, and I highly recommend it, but what really caught my eye was the authors' conclusion: All the walking dead have Consciousness Deficit Hypoactivity Disorder,

Library Do Zombies Dream of Undead Sheep?: A ...

The zombie dream is connected to you being stressed-out or a new beginning. To see zombies walking towards you in a dream indicates there may be a sense of losing control or a situation in your waking life that is spinning out of control. The zombie is the species of the undead that returns to earth - due to some pseudo-scientific reason.

Dreams About Zombies - Meaning And Interpretation ...

To see the undead in your dream represents your fears and the rejected aspects of yourself. You are refusing to acknowledge those negative parts. If you are being chased or are surrounded by the undead, then it symbolizes unresolved issues that you are not confronting. Things that you thought or assume were put to rest is coming back to haunt you.
