Are You Ready

The cameraman on the hill waved and shouted back, "Ready when you are, C.B.!". In another famous story, DeMille was on a movie set one day, about to film an important scene. He was giving a set of complicated instructions to a huge crowd of extras, when he suddenly noticed one female extra talking to another.

16. How did you get to know about the position of doctor we are offering to you? This is a tricky question that can trap you because sometimes if you do not want to mention the name of the person who told you about the job then that may not work well for the interview panel. You should be ready with your answer to this question.
