### Nature Journals - Ideas and Tips | HubPages

Trying to separate out nature and nurture as explanations for behaviour, as in classic genetic studies of twins and families, is now said to be both impossible and unproductive. In practice the nature-nurture model persists as a way of framing discussion on the causes of behaviour in genetic research papers, as well as in the media and lay debate.

Nathan Alexander Mueller - 2019 - Journal of Philosophy of Education 53 (1):94-110. In this paper, I aim to reconsider MacIntyre's notion of an educated public. In particular, I aim to do so in light of his recent elucidation of the role of philosophical education in rejecting, or at least challenging, predominant and shared cultural assumptions.
