Sociology, Environmentalism, Globalization : Reinventing ...

Environmental globalization refers to the internationally coordinated practices and regulations (often in the form of international treaties) regarding environmental protection. An example of environmental globalization would be the series of International Tropical Timber Agreement treaties (1983, 1994, 2006), establishing International Tropical Timber Organization and promoting sustainable ...

Book Reviews : STEVEN YEARLEY, Sociology, Environmentalism ...

When studying political globalization, sociologists focus on understanding what has changed or is new about political institutions, actors, forms of government and governance, the practice of popular politics, modes of political engagement, and the relationships between them in a global context. Political globalization is intimately connected to economic globalization, as it is within the ...
