The Aerostar type certificate and manufacturing documentation were sold in 1991 to Jim Christy and Steve Speer, who had been part of the Ted Smith Aerostar operation, and now operate Aerostar Aircraft Corporation in Hayden Lake, Idaho, providing maintenance and support of the aircraft and new R&D of its family of aircraft.

Piper Aerostar - Wikipedia

The first production model to roll out of Ted Smith Aerostar Company was the 600. The early models of the 600 didn't have zinc chromate coating on all aluminum parts which later resulted in possible corrosion issues. This problem went away when Ted bought the company back from Butler Aviation in the 1974 model year.
