bill walsh and numerous book collections from fictions to scientific research in any way. among them is this the elephants of style a trunkload tips on big issues and gray areas contemporary american english bill walsh that can be your partner.

It's easy to search Wikibooks by topic, and there are separate sections for recipes and childrens' texbooks. You can download any page as a PDF using a link provided in the left-hand menu, but unfortunately there's no support for other formats. There's also Collection Creator - a handy tool that lets you collate several pages, organize them, and export them together (again, in PDF format). It's a nice feature that enables you to customize your reading material, but it's a bit of a hassle, and is really designed for readers who want printouts. The easiest way to read Wikibooks is simply to open them in your web browser.

The Elephants Of Style A

I picked up *The Elephants of Style* by Bill Walsh because I liked the title, a silly little pun on *The Elements of Style* by William Strunk Jr., E.B. White (1957). The book promises a "trunkload of tips on the big issues and gray areas of contemporary American English." The book has fourteen elephants covering key points of writing and editing.

In The Elephants of Style he takes a step
back and presents an in-depth look at
the basics, including spelling,
capitalization, abbreviations, subject-
verb agreement, plurals and
possessives. With sometimes acerbic
wit, the author also addresses: The lies
your English teacher told you.

The Elephants of Style on Apple Books

In "Hills Like White Elephants" the setting serves both to locate the story in space and time and to function as an important symbol. The story is set in Spain, in the valley of the Ebro River. More immediately, the setting is a railway station "between two lines of rails in the sun." The American and the girl sit at a table.
